## The Ascension: The Important, But Sometimes Forgotten Holy Day

When I took instructions in the faith in 1964, we learned that one of the six Holy Days of the Church was the Ascension of Jesus into Heaven. It was celebrated 40 days after Easter and usually occurred on a Thursday in May. In more recent times, this solemnity has been transferred to the following Sunday, allowing for more Catholics to be present for the Holy Day liturgy. This year, the actual Holy Day occurs on May 21, but will be observed the following Sunday, May 24, in most archdioceses and dioceses in the U.S. Did you know that more Catholics go to Mass on Ash Wednesday than on the Ascension? This occurs for a variety of reasons, one being that Lent is such a season of preparation for the soul and many want to get a good start on their Lenten journey. As to the Ascension, I feel that we don't know enough about it nor do we spend time in or out of Mass talking about its meaning and how it affects us directly. If people understood the significance of the Ascension, perhaps more would want to be present for the celebration. We don't move Ash Wednesday to the people---the people move toward Ash Wednesday because they are acquainted with it and its importance to salvation.

This holy day has been neglected, no doubt, for this is the time when Our Lord Jesus Christ, gathered the apostles on a hill outside of Jerusalem known as the Mount of Olives. He gave His followers His last instructions, telling them that the Holy Spirit would descend upon them. He raised His hands and blessed them and told them to preach the Gospel to all nations and promised to be with them to the end of the world. And, while all looked on, He was raised up, BY HIS OWN POWER, and a cloud received Him out of their sight and carried Him up to Heaven. (Luke 24: 51) It all sounds like a 'good story', but there is powerful symbolism involved here. Matthew says that He came to earth to take on our humanity and rose to Heaven so we could take on His Divinity. Remember His promise to be with them 'til the end of the world'.

This is a very important Holy Day for the faithful to be present. There's much more to God's universe than our five senses can comprehend. Jesus' ascension demands that we take 'another Reality' into consideration---there is a life beyond this one! We believe in the visible and the invisible, these things that we know by faith, not by intellect. This feast is the SOURCE of our Hope (Heaven) and Glory (We'll share it with the Lord). Remember the Creed that we recite? "He ascended into Heaven and sits at the right hand of God, the Father Almighty." The Ascension is the proof that Jesus can show us the way home! The gift is REAL! We only have to follow. ---Marcel Normand

### MASS INTENTIONS

WHY REQUEST A MASS INTENTION? One part of Catholic culture that is sometimes hard to understand and very often misunderstood is the custom of offering Mass intentions. The Church considers the Mass to be one of the greatest prayers of intercession. When a priest celebrates Mass each day, he offers each Mass for a particular intention. By doing so he applies special graces from God upon that person or intention. That intention can be for a living person's health and well-being, or for the eternal rest of a deceased person, or any other prayers you wish to be offered up to Christ for a loved one. Pope Paul VI said, "The Mass is the most perfect form of prayer!" It has immense power and countless miracles and conversions have occurred throughout the centuries by offering Masses for a specific intention or person. Mass intentions are a great treasure of the Church and have a spiritual weight that is incalculable. Requesting Mass Intentions: Mass intentions make beautiful gifts for any special occasion: birthday, anniversary, in thanksgiving for a prayer answered, an intention for someone who is struggling with a serious illness or other life trauma. If you have a particular date or time on which you want the Mass, you need to turn in the information at least a month in advance (Masses are scheduled that much ahead of time). Call the parish office to schedule OR place the information of who or what the Mass is for, and who is offering the Mass, along with a phone number in case we have questions. The suggested stipend for Mass intentions is \$10.00 payable via cash or check, you can donate less or more.
